

Mark your calendar now and register  
for Palby Fyn Cup 2024

## **BOGENSE SAILING CLUB welcomes you to PALBY FYN CUP 2024**

A sailing race for both touring and racing sailors.

In addition to the full trip of 138 nautical miles around Funen, you can also choose to sign up for the short course of 64 nautical miles.

### **A SHORT - A LONG...**

Regardless of whether you choose the short or the long course, you are guaranteed to have some pleasant hours at the marina before sailing. You will feel the excitement when you sail out of the harbor towards the starting line together with around 2000 other sailors in DENMARK'S BIGGEST RACE, as the first part of the race, regardless of short or long course, is the same for everyone.

The boats are sent off in group starts, participants on short course will be started together with similar boats on long course.

### **EVERYONE CAN PARTICIPATE:**

PALBY FYN CUP is sailed under the target rules: DH and TEXEL  
TOUR SAILORS (can participate without meter certificate).

### **DOUBLE HAND sailing / Danish 2Star series**

PALBY FYN CUP is also part of the Danish 2Star series.

If you are registered as Double-Hand during the PALBY FYN CUP, your result can thus also be included in the series of races in Dansk2Star.

### **CLASS and STANDARD BOATS**

Class and standard boats at the PALBY FYN CUP get their own starts with a minimum of 15 registered boats.

The tour boats and the smallest boats start first.

Double-hand / Danish 2Star sailors get their own race.

**First start at 11.00 on Friday 31 May 2024**

### **FOLLOW THE SAILING ON THE BIG SCREEN AND ON THE WEB**

On the big screen on the marina, you will be able to follow the starts and the sailing via Streaming TV and Tracrac, just as the race results will be continuously visible on touch screens at the office.

### **THE ROUND DIRECTION**

The sailing direction at the PALBY FYN CUP depends on wind and current conditions and will be announced at the skipper's meeting.

### **TRACTRAC FOR EVERYONE**

All boats are given a tracker so that everyone can follow the boats online using TRACTRAC – all the way around Funen. In 2024, all decommissioned boats will be deactivated so that they do not disturb the overview.

### **MORE ACTIVITIES AT THE MARINA**

We are working on even more activity at the marina before the event. Follow along on [Facebook](#), where we continuously will inform you about the new initiatives.

### **MEET WITH YOUR CLUB BEFORE THE RACE**

Reserve a table together with your club in the catering tent on Thursday evening. Reach out to your club and get them to book a table at [sejladsen@fyncup.dk](mailto:sejladsen@fyncup.dk) - and meet your clubmates.

**BOGENSE SAILING CLUB AND BOGENSE HARBOR & MARINA** has fine facilities and in collaboration with all our GOOD SPONSORS, we ensure that everyone has a good experience on water and on land.

**SIGN UP HERE**

**INITIAL FEES** starts with a price of DKK 850,- per boat, and rises continuously towards the start. Registration is binding.
